

## Photographer

Richard Kerber, the photographer, is coming to take individual photographs of the children this **Monday 14<sup>th</sup> May**. All the children are welcome to have their photograph taken, accompanied by a member of staff.

If you would like a photo with a sibling or as a family, you can either come early (8.15) to allow older child/ren to get to school, or during the early part of the morning. There is no obligation to buy and you will be shown a copy. Even if your child does not attend on this day, you are still very welcome to have the photo, however your child will not be able to stay. If you do not want your child's photograph taken please inform Mrs Mills or Mrs Mash

## Parent helpers requested

This term we are looking for parent helpers to accompany us on walks so we can keep the correct ratio of children back in the playgroup. These walks are in line with our commitment to reduce obesity, healthier living and contributing to the time the children are active. These walks are normally planned for around 9.30-10.30.

We would also like some help with snack time during the morning. If you can spare half an hour to do our washing up (after 11.15 and before 12), an hour or two either regularly or as a one off (snack is 9.45-11.30) and would like to help, please let us know.

If you think you could help in any other way: baking, building towers, reading or telling a story, playing in the sand, planting and tidying the garden, craft table ideas etc.

Please speak with your keyworker or the leadership team of Mrs Mills, Mrs Mash and Mrs Stone if you would like to help with any of the above.
